APPLICATION FOR VARIANCE TO FLOOD HAZARD ORDINANCE

The following information MUST accompany each flood variance application submitted:

- Flood Variance application must be completed by owner of property or authorized agent with proof of Power of Attorney. Please print or type only
- Attach a Site Plan indicating:
 - Lot size
 - Size of existing building
 - Proposed project with location, dimension and type of construction, break-away or vented
 - Existing elevation of property on the site plan
 - Requested elevation of proposed building
- Clearly indicate your request for a flood variance, and whether requesting electric or plumbing below the 100 year flood elevation
- Four (4) color photographs of good quality and definition.
 - o One (1) photo should be from street in front of lot
 - o One (1) from the rear
 - One (1) from each side showing any structures located on adjunct lots.
- May also include any photo of good quality and definition that would show interesting features of the surrounding area that may help to make a recommendation of approval.
